AAUW Hingham Area Branch

The Hingham Area Branch just celebrated its 40th year of being part of AAUW.

Our members believe in the power of education to change women's lives. We also recognize that women's education means more than attaining higher degrees. It also means becoming financially literate, daring to take risks to grow and to learn throughout our lives, and helping others both around us and far away from us to reach their potential.

Our programs this year will focus on a broad view of women and power, and we hope you will join us at one of our events as we explore its many facets. No matter how busy your daily routine is, we think you'll get something out of our events. You'll meet like-minded women from the South Shore and hear fascinating speakers on thought-provoking topics. We hope to collaborate with our local sister branches in an action project.

For more information about our meeting topics and speakers, please contact Program Vice Presidents Jane Moore or Diane Morash.

Expand your horizons and potential. Come to our monthly meetings, bring a neighbor, friend or colleague!

Remember, **AAUW advances equity for all women and girls through advocacy, education, and research.**

We look forward to seeing you!

NATIONAL CONVENTION—ST. LOUIS

The Hingham Area branch of AAUW meets monthly from September through May usually on the second Tuesday evening of the month at various locations convenient to the wide area covered by our membership. Programs are planned to relate to AAUW's mission to promote equity for women and girls through advocacy, education and research. In addition to fundraising to support AAUW's **Educational Foundation**, the world's largest source of funding exclusively for graduate women and the **Legal Advocacy Fund**, the nation's largest legal fund focused solely on sex discrimination in higher education, the Hingham Area branch offers a local recognition award to a female pursuing or continuing education after high school.

We seek and welcome new members who hold an associate or equivalent or baccalaureate or higher degree from a qualified educational institution. Undergraduates may join the branch as AAUW student affiliates. We practice AAUW's diversity statement: *There shall be no barriers to full participation in this organization on the basis of gender, race, creed, age, sexual orientation, national origin, disability or class.*

AAUW MISSION STATEMENT

AAUW advances equity for all women and girls through advocacy, education, and research.

AAUW VISION STATEMENT

AAUW is committed to making a significant impact on education and equity for all women and girls. We will remove barriers and develop opportunities to enable women and girls to reach their full potential. This shared vision drives the work of AAUW at all levels.

AAUW EDUCATIONAL FOUNDATION

Commissions groundbreaking research concerning women and girls and awards millions of dollars each year in fellowships and grants.

AAUW LEGAL ADVOCACY FUND

Supports women fighting sex discrimination in higher education.
